

DIRECTOR'S NOTE #1 for JANUARY 13 & 14, 2018

SATURDAY, JANUARY 13 NOTES

- >> DUE TO THE EVENT ON THE FAIRGROUNDS, rehearsals on **SATURDAY**, JAN 13, will NOT be at the fairgrounds!
- >> They will be held at CPP's Studio in Palm Springs (Chuck, Jan and Richard's theatre group).
- >> Saturday's rehearsals will be MUSIC rehearsals BUT NOT for every song in the show.
- >> NOT EVERYONE is called to attend on Saturday (SEE LIST BELOW). If you are not called at this rehearsal – there will be a different day in which you will have the opportunity to resolve issues you may have with singing of your songs. This does not mean to wait until that later date before learning and practicing your song. Begin learning all songs and when your music rehearsal time comes, use it to clean up issues you may have.
- >> CPP's Studio is located at **149 NORTH INDIAN CANYON DRIVE** (i.e., Highway 111 in downtown Palm Springs). Come into Palm Springs from Vista Chino, Ramon, Highway 111. CPP is one lot north of Tahquitz Canyon Way on North Indian Canyon Drive. Be in the left lane on Indian Canyon as you pass through or turn onto it from Tahquitz Canyon (Indian is a one way street) and pull left into either the 2nd or the 3rd driveway after Tahquitz.
- >> For those called, arrive at the Studio not later than 11 a.m. End times will depend on which songs we are able to work on at what time and how quickly we through any issues. The more familiar you are with your songs prior to attending, the quicker it will be and the earlier you will leave. We will also be reviewing dialog in between songs, so please be familiar with that as well.
