

DIRECTOR'S NOTE #2 for JANUARY 20 & 21, 2018

GENERAL NOTES

- >> Another revised Cast List and Character by Scene Breakdown Sheet has been posted through the respective links below this Director's Note link.

- >> CHOREOGRAPHY VIDEOS: We have created a Date Pageant YouTube Channel page for CAST access to the videos created for learning choreography. The links to the videos currently up (2) are provided below this Director's Note link.

- >> REHEARSAL SCHEDULE: A currently proposed rehearsal schedule may be accessed and printed through the link below this Director's Note link.

- >> NOTE REGARDING REHEARSAL SCHEDULE: Please understand that the needs of the show must come first for the times we have blocked for rehearsals. If the schedule needs to change to bring someone in not otherwise called in a time slot, we need to retain that flexibility. Always check back to see if there are changes to the schedule.

- >> Anyone who is considering volunteering with the Pageant and has not yet come in or contacted us to let us know must do by the end of the rehearsals on Sunday. They must also fill out all of the same paperwork that the cast was required to complete and turn that in as well.

- >> Please remember to check back on this site prior to rehearsals on Saturday (late Friday night) to make sure there are no additional notes.

- >> Reminder: Bring your lunch (or have one delivered) on Saturday and Sunday. There will not be time to go off site to get lunch. As well, remember, if you bring lunch (or anything else) make sure it is well labeled and do not take anything that you are not positive you brought.

- >> OFF BOOK: From here out all cast are off book as we rehearse each scene.
