

2013 RIVERSIDE COUNTY FAIR AND NATIONAL DATE FESTIVAL
NIGHTLY MUSICAL PAGEANT
THE SULTAN, THE SEA PRINCESS AND THE HUNCHBACK
CAST MAKE-UP INTRODUCTION LETTER

DECEMBER 2, 2012

Welcome to another exciting year and congratulations on being cast in the show!

My name is Chip Tuvman. My crew and I will be heading the makeup and hair department. It's nice to be back again this year.

I am a licensed Cosmetologist and I have a private suite at J. Russell Salon in Palm Desert. When not in the salon I am working on location in either television, editorial, or theatrical endeavors. I have worked on many famous and infamous faces and I greatly enjoy my work.

At this point in time please do not change anything about your appearance. This includes hair color, style or length. If you find you may want or for some reason need to do so, please contact me first. My email address is chiptuvman@mac.com (please use this for Date Festival purposes only). You may also call me on my cell phone at (760) 861-8065.

My hair and makeup design process begins today starting from the way you look today. In other words, I take the way you look today and build a character design (hair and makeup) for you to perform as in the show.

As rehearsals progress the makeup department will be testing and running makeup and hair/wig looks on certain actors. We appreciate your flexibility and patience in this process.

Once again, congratulations on being cast and we in the makeup and hair department look forward to working with you!

Best regards,

Chip Tuvman
Hair and Makeup Department Head and Designer
