Aladdin: The Magician Remembers

Riverside County Fair and National Date Festival 2020 Arabian Nights Musical Pageant

Rev. Nov 2019

WELCOME STATEMENT

You have made it through the Audition process and are now a part of the Arabian Nights fantasy and tradition. This handbook will provide some background information regarding the Fair and the Pageant, and will give you an idea of what to expect over the next few months. The glossary section provides definitions for some of the terminology that you may come across in the course of your participation.

HISTORY OF PAGEANT

The first Arabian Nights Pageant was introduced in 1948. Prior to that time, the festival grounds had a traditional western motif. Harry Oliver, a noted Hollywood film designer and resident of the valley, helped Mr· Fullenwider transform the grounds to the more exotic Arabian theme. Mr· Oliver designed the stage with minarets and stone arches to depict a street market place in Baghdad. His work is said to be quite authentic.

The first program was originally to be scripted by Louise Dardenelle. However, after she became ill and died in the preceding December, Hollywood producer and choreographer Roy Randolph of Palm Springs was brought in to continue the work. Finding his predecessor's script and costume designs to be too sketchy and preliminary, Mr. Randolph started from scratch. His Hollywood connections served him well assembling costumes, sets and props.

Roy Randolph also started the tradition of bringing in a limited number of professional singers and dancers - as is still done today. And, the pageant continues to draw Alumni who have gone on to more professional careers. In the nature of true Community Theater, the pageant was then, as it primarily remains today, a local volunteer effort.

PAGEANT MISSION STATEMENT

The Riverside County Fair and National Date Festival will introduce to you the annual "Arabian Nights Pageant" showing nightly on a uniquely designed pageant stage. We will provide traditional nightly entertainment and will serve as a first stepping stone to Community Theater. Our staff and cast will function with professionalism and integrity. So, come aboard and experience the fantasy.

CAST MAKE-UP AND HAIR DEPARTMENT INTRODUCTION LETTER AND INFORMATION

RIVERSIDE COUNTY FAIR AND NATIONAL DATE FESTIVAL 2020 NIGHTLY MUSICAL PAGEANT

ALADDIN: THE MAGICIAN REMEMBERS

James Rodriguez and his crew of talented artists will once again be heading the make-up and hair department for the 2020 Annual Musical (aka Pageant).

Modern haircuts and designs do not fit well in the period and culture of the stories told in the Arabian Nights Tales! Therefore, your hair and makeup design process begins today - starting from the way you look now, at orientation!

From this point forward, all cast members are instructed to

NOT CHANGE ANYTHING

about your appearance (including hair color, style, or length).

Your current look becomes the basis upon which a character design is built for you to perform as in the show! It is assumed that your hair will grow – and many of you need the time to grow it out to a length usable in the production.

As rehearsals progress, the makeup department will be testing and running makeup and hair/wig looks on certain actors. You may also be asked to make reasonable accommodations for the production's benefit. We appreciate your flexibility and patience in this process.

If you feel that you have a significant reason to need to make any changes (e.g., work requirements, formal event, etc.), you are asked to contact James first. You may do this via e-mail at zipnumer_1@msn.com (please use this for purposes of personally communicating with James only about Date Festival matters unless otherwise authorized).

2020 ANNUAL MUSICAL COMMUNICATIONS PROCESS

The first contact about any new matter must be through the Production/Direction Team contacts (Richard/Chuck) in the first row below unless specifically instructed otherwise.

Use contact information in order presented unless timing is truly critical.
Check the datepageantinfo.com web-site at least twice a week.
The form on the datepageantinfo.com web site form is the ONLY way to communicate conflicts
Not knowing something due to not keeping informed is not an excuse!

Get a web buddy if necessary (your responsibility).
