Whenever I see someone less fortunate than I
(And let's face it – who isn't, less fortunate than I?)
My tender heart tends to start to bleed

And when someone needs a makeover
I simply have to take over
I know, I know exactly what they need
And even in your case
Tho' it's the toughest case I've yet to face
Don't worry – I'm determined to succeed
Follow my lead, and yes, indeed
You will be:

Popular! You're gonna be popular!
I'll teach you to have finesse
So that you impress
In the way that wins her heart
I'll show you what clothes to wear
How to fix your hair
Even how to seem real smart!

To be popular
I'll help you be popular!
You'll hang with the right cohorts
You'll be good at sports
Know the things ou've got to know
So let's start
'Cause you've got an awfully long way to go:

Don't be offended by my frank analysis
Think of it as personality dialysis
Now that I've chosen to become a pal, a
Motherly adviser

VIZIER'S WIFE lunges at DOWAGER – restrained by others

There's nobody wiser

And with an assist from me
To be who you'll be
Instead of dreary who-you-were: are:
There's nothing that can stop you
From becoming popu- Ler: lar:

La la la la We're gonna make You popular

When I see depressing creatures
With unprepossessing features
I remind them on their own behalf
To think of Celebrated heads of state or
Specially great communicators
Did they have brains or knowledge?
Don't make me laugh!

They were popular! Please -
It's all about popular!
It's not about aptitude
It's the way you're viewed
So it's very shrewd to be
Very very popular
Like me!

DOWAGER: Why, Gong, look at you. You're - - - perfect.

GONG: I – I am?

TO BE DETERMINED

So he's a bit of a fixer-upper, so he's got a few flaws
Like his peculiar brain and the fact that he's vain, yeah,
That's a little outside of nature's laws!
So he's a bit of a fixer-upper, but this we're certain of
You can fix this fixer-upper up with a little bit of love!

PRINCESS: Can we please just stop talking about this? I've got a real, actual problem here

It's that he's socially impaired? Or his obsession with his hair?
Or that he only likes to drink wine with a straw? ... (PRINCESS: What?!)
Are you holding back, Your Highness, due to his unmanly shyness?
Or the fact he covers up that he has got those flaws?

He's just a bit of a fixer-upper - he's got a couple of bugs
His isolation is confirmation of his desperation for human hugs
So he's a bit of a fixer-upper, but we know what to do
The way to fix up this fixer-upper is to fix him up with you!

PRINCESS: ENOUGH!

We're not sayin' you can change him, 'cause people don't really change
We're only saying that love's a force that's powerful and strange
People make bad choices if they're mad, or scared, or stressed
Listen to what loved ones say (Listen to what loved ones say)
And it'll turn out best - Their love brings out their best!

Everyone's a bit of a fixer-upper - that's what it's all about!
Fathers and Grandmothers - we need each other, to raise us up and round us out
Everyone's a bit of a fixer-upper, But when push comes to shove

The only fixer-upper fixer that can fix up a fixer-upper is
True! true! True, true, true!

So just trust in love and everything you dream will come to pass Trust in love and then your heart will see True Love at last.
